WHERE THE BUCK STOPS

Harry Truman had a sign on his desk: THE BUCK STOPS HERE. Our sign says the same thing, in different words: INDEPENDENT COMMUNITY BANK.

Because when you need a banking decision, we make it here. It is our independent decision . . . not that of a stranger in some distant headquarters bank. Our people know you, know your special circumstances and problems, know this community and have a stake in it. That's what community banking is all about.

Fact is, all the bucks stop here. The dollars you deposit are put to work right in this community. This is where we invest. This is where we lend. Because it's your money, it should work for you. That too is what community banking is all about. Come in and see us, where the personal dimension in banking comes first.

White Elephant Sale!

What is a WHITE ELEPHANT SALE? It is a collection of the worst merchandise we can find. It contains mixes that don't match, things that never matched, buyers' goofs, shopworn items, clean things that just happen to be ugly. We have enjoyed poking fun at these items and hope you will enjoy reading the copy as much as we did writing it. Sorry, no phone orders, returns, adjustments, layaways, or anything else on these items. Come have fun hunting White-Elephants!

DRESSES
Somewhere in the neighborhood of 150 dresses are left. Some are great dresses and some are . . . (well you know)! Reg. $32-$65 .....$12 - $20

Sportswear
We have a nice selection of mixes that don't match. This group should be of special interest to all you gals with X-large tops and very small bottoms or X-large bottoms and "teeny weeny" tops. Hopefully, you already own pieces of these nationally known brands. Reg. $20 - $65.
White Elephant Price.....$7 - $20

Jewelry & Accessories
You've heard of the lady that was so ugly she had to sneak up on a water fountain for a drink or the man that got hit with an "ugly stick." Well, this merchandise is so bad that we are going to put a bag over it. We guarantee at least $8 worth in each bag. (no peeking allowed).....$2.00 a bag

Fickle Customer Rack
Corduroy Bibs are featured here. This time of year bibs should sell in heavy fabrics, right — Wrong — Bibs are now selling in summer fabrics. Therefore, we have some corduroy bibs left over. These are available in the best two colors — navy & khaki. The original price was $25 — Our Elephant Price $16

Slacks
Corduroy, Tweeds, Gaberdine, Spun Poly - For serious bargain hunters, this is your rack. Some moldels are great, ideal for use this spring & summer. Then there are a few which we hope you will make a rash decision and buy in a moment of weakness. Reg. $21-$28.....$9-$12

Anything Goes Rack
And that's the truth! If we don't know what to do with it, it goes in this group. We promise you this will be the worst looking stuff in the store. We even tried to give it to "Good Willie" and the door wouldn't open. Who knows what the original price was? Who cares? At $1, $2 and $3 — It's yours!

WONDER RACK
This rack is so named because we have been wondering about it all season. It contains a very nice corduroy set, a few pieces of nice wool looks and some very nice blouses. With all this "nice" we just wonder why the darn stuff is still here. Orig. - $20-$58 .....Now $7-$20

You Ask For It You Got It Rack
If you are one of those customers who has asked a million times in the last two weeks - When are you going to reduce these blouses some more? The answer is right now. We might as well, you are going to wear them out looking at them if we don't. Don't be surprised if you find a spot or two on a shoulder. Just take it on down to the sheriff and see if he can lift a few prints off of it. .....½ Price

The Not So Smart Buyer Rack
This dumb buyer (we won't mention any names) bought most of this stuff on a Monday morning in November when his mind was on hunting instead of work. If it's still here next week, we are going to fill it full of bird shot, put some ketchup on it, put it in the microwave for 3 hours, and see how it taste. Just so you won't miss it. It's the first rack inside the door. Orig. $13 - $25.....$6

Men's Jackets & Turtlenecks
In the middle of our floor, for all mankind to laugh at, stands our most glaring mistake of the season. The jackets were $15 and you didn't like 'em. $11.99 improved them some. $8.99; then $5.99 improved their looks some more. The turtlenecks were $11. Not very pretty! At $8.99 the colors got better. Now they are gorgeous. Jackets $4.99 — Turtlenecks $3.99.

Changing Times Table
Dress shirts will be featured here. A few years ago dress shirts sold out to the piece — Sports shirts were sale items. Today the $20 sport shirt flys out the stores. The $16 dress shirt sticks around. For all you men who still remember how to button a top button and tie a tie, we have some great dress shirt buys. .....½ Price

Basic Slack Rack
There are a lot of good men's slacks left here. We plan to completely change this group. If you will help us turn this cloth to cash, we will do our best to turn the cash into something nice and brought for Spring. .....½ Price

Men's Sport Shirts
These are probably items we should keep — Flannel shirts are in this collection. Next year's flannel has already taken big increases. We will take the chance on using the money for a year. The group has good size and color selection.....$9

Odds & Ends
Jeans, Shirts, Tops, Slacks are in this group. Good buys for men and ladies. There is a wide range of original prices. Not all sizes are available.....$8.00
